Draft MHPR Photographs

Dear Mr. Schmidt:

We are in receipt of the draft photographic documentation and index to photographs you submitted for the Minnesota River Bridge in Carver. This documentation was prepared as part of the Minnesota Historic Property Record (MHPR) called for under Stipulation I of the Memorandum of Agreement for the abandonment of the Chaska Industrial Lead. We find the photographs acceptable and look forward to receiving the written narrative for the MHPR. We also look forward to working with you, Union Pacific Railroad Company, and the Surface Transportation Board in fulfilling the remaining terms of the agreement.

Please contact me at 651-259-3455 with any questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads 'Kelly Gragg-Johnson'.
